Subject: 2020 TSCA/iPCB Project Proposal
Attachments: ATT00001.txt; iPCB & TSCA Workshop Outcomes_Condensed 102820.docx

Hello TSCA/iPCB Workgroup Participants – based on our discussions and member input, attached for your consideration is a greatly consolidated list of potential 2021 projects for the iPCB/TSCA workgroup. I attempted to provide some additional project definition, clarification, and have additional questions that will require further discussion. Although not part of the overall list, I also provided a response to Gary Jones' suggestions, some of which are incorporated into the list above.

For our meeting agenda next week, I would like to spend the first half hour on updates to our action items sent to you with the meeting minutes on October 7th, and spend the second half discussing the attached.

Have a great weekend and chat with you all on Wednesday.

Doug
